Secretary's staff meeting.

Ambassador Joseph C. Green (Jordan) came to see me; also, Minister Karl Rankin (Taipei, Formosa); and Ambassador Ellis Briggs (Czechoslovakia).

Attended a meeting in the Secretary's office with Messrs. Jessup, Bohlen, Nitze and Johnson, which was a follow-up to yesterday's meeting on Korea. Afterwards Phil Jessup returned with me to my office.

Linc Gordon was attending a meeting in the building and I asked him to stop in for a few minutes.

Allen Dulles telephoned that he was much disturbed because the A. F. of L. was not going to attend the Berlin meeting of the ICFTU the first week of July. He thinks nothing short of intervention by the President will induce them to do so, and is planning to speak to the President about it tomorrow. I mentioned this to the Secretary.

Jack McFall came for his regular meeting.

Carl Humelsine, Elbridge Durbrow, and Ed Montague came to see me about assignments of FSO's.

Anatole Visson, of TIME Magazine, came to see me. They are planning to do a cover and story on Monsieur Pinay.

George Perkins came to see me.

This evening E. and I went to a dinner at the French Embassy in honor of M. Letourneau.
